

2015-2016 No Plow List

The following private roads will not be plowed and/or sanded by the Town of Mashpee unless the noted repairs are made. For roads with OVERHEAD LIMBS, limbs should be trimmed to a height of **12 feet** above the road surface. For roads with OVERHANGING BRUSH, brush should be cleared a minimum of **2 feet** back along each side of the road surface. For roads with POTHoles or DRAINAGE DISREPAIR, all defects or structures exceeding two vertical inches should be filled/adjusted. **IMPORTANT NOTE: If your road can only be accessed via a road that is on this No Plow List, then your road will also not be plowed until the road on the No Plow List has been removed from the list. NOTE: The Town does not plow condominiums or commercial developments.**

In order for a road to be removed from the No Plow List, residents should make the necessary repairs to the road and then contact the Department of Public Works at dpw@mashpeema.gov or 508-539-1420 between 7:30 am and 3:30 pm to request a re-inspection.
